

SOHANUR RAHMAN

Full Stack Developer

Tejgaon, Dhaka | +8801747744641 | sohanbd413@gmail.com
Portfolio | GitHub | LinkedIn

CAREER OBJECTIVE

Highly motivated Full Stack Developer skilled in building high-performance, responsive end-to-end web applications using MongoDB, Express, Next.js, React, and Node.js. A proactive problem-solver and collaborative team player eager to leverage advanced technical skills in a challenging full stack role. Committed to delivering immediate value and driving end-to-end web innovation within a forward-thinking team.

TECHNICAL SKILLS

- Expertise: Next.js | React.js | Context API | JavaScript(ES6+) | HTML5 | CSS3 | Tailwind
- Comfortable & Basic: Node.JS & Express.JS | MongoDB | Better Auth | Python (Basic) | Java (Basic)
- Data Structure & API: Array | LinkedList | Stack | Queue | Tree | Graph | REST API
- Tools & UI Design: Figma | Photoshop | Illustrator | Hero UI | Daisy UI | Framer Motion | Animate.css | Git & GitHub | Vercel | MS Office

SOFT SKILLS

- Problem-Solving
- Communication
- Adaptability
- Collaboration

PROJECTS

TravelHub (Online Ticket Booking Platform)

- Technologies: Next.js | React.js | Node.js | Express.js | MongoDB | Tailwind CSS | Stripe | BetterAuth | JWT | Recharts
- RBAC & Security: Engineered a multi-role platform (Admin/Vendor/User) with custom RBAC, ticket verification, and an instant fraud-detection system.
- Booking & Payments: Implemented a state-driven booking lifecycle with real-time inventory validation and secure Stripe payment integration.
- Dashboards & Analytics: Built role-specific Next.js dashboards integrating Recharts for dynamic ticket sales and revenue data visualization.

Mentorify (Tutor-Booking Web Application)

- Technologies: Next.js | JavaScript(ES6+) | Tailwind | Hero UI | Express.js | Animate.css | MongoDB
- Optimized with SSR & ISR for lightning-fast page loads and high SEO efficiency.
- Integrated seamless booking system for instant tutor scheduling and appointment management.
- User-friendly platform with secure communication tools for professional and reliable online consultations.

EXTRA-CURRICULAR ACTIVITIES

Team Lead | Web Development Project | DHAKA POLYTECHNIC INSTITUTE (2026)

- Leadership: Led a team to design and deliver a full-stack MERN application on schedule.
- Workflow: Managed task delegation, code reviews, and Git integration to ensure project

success.

- Execution: Resolved technical bottlenecks and delivered high-performance, quality-focused solutions.

EDUCATION & LANGUAGE

- Dhaka Polytechnic Institute: Subject: CST (2023/24 - Ongoing)
- Languages: Bangla (Native) | English (Basic conversational ability) | Hindi
